

The AXIOM Aesthetic

Weekly inspiration for the creative mind.

When Broadway theaters shuttered in March of 2020, much like any other industry, they never dreamed they would be away for so long. In preparation for the return of Broadway an initiative was launched called 'This is Broadway', which is a short film featuring scenes from 99 Broadway shows, including a diverse range of stars from a variety of past and upcoming shows. There is finally a set opening date for the return of iconic Broadway. Forty one theaters plan to return to the stage in a staggered fashion starting on September 14th with Chicago, Hamilton, The Lion King and Wicked. Overall 30 shows plan to open over the next 3 months at full capacity. Each of these theaters will be requiring all audience members, performers, backstage crew and theatre staff to be fully vaccinated and wear a mask at all times while indoors except in designated food and drink areas.
